Kids - Capacity: up to 25 students

Collaboration & Confidence: This program introduces kids to the joy and FUN of theater and will spark an interest in the arts for a lifetime.

Middles - Capacity: up to 30 students

Skills & Self-Expression: Students will refine their skills as individual performers and as an ensemble. This program will equip students with tools for confident self-expression and collaboration, and we'll have fun doing it!

Teens - Capacity: up to 30 students

Focused Training & Technique: Our most rigorous program welcomes serious theatre students as well as curious newcomers. This program equips teens with the physical and vocal presence to serve them on stage and beyond!
